

Covid-19 Update

To support our young people who may be self-isolating or currently absent from school:

Please follow the departments who have Twitter feeds to keep an eye out for work and advice going forward. Many staff are currently organising work which will become available through Glow and Microsoft Teams so again, keep an eye out for this.

Find below the many websites that are available and free to access for educational resources and SQA past papers.

Further information will follow so please keep checking the website and Dundee City Council websites for updates.
