Dear Parent/Carer

Secondary school provision within East Dundee.

In April 2019, I wrote to you in connection with the above and specifically in relation to learning estate options concerning Braeview Academy and Craigie High School which were to be considered by the council's Children and Families Service Committee. The outcome of that committee granted permission for me to:

- carry out further work on the options for Braeview Academy and Craigie High School and bring recommendations back to the Children and Families Services Committee for approval.

I am now writing to inform you that one of the items for discussion at the Children and Families Service Committee to be held on 27 January 2020 will be a proposal to enter into formal consultation on learning estate options for Braeview Academy and Craigie High School, namely:

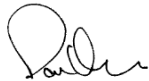

- the closure of Braeview Academy and Craigie High School and the redelineation of existing school catchments to form a new single catchment area for a new joint secondary school/community learning campus from August 2024;
- and the expansion of the catchment area for Grove Academy from August 2024 to embrace the current Craigiebarns Primary School catchment area.

This letter provides parents and carers notice of the above proposal, details of which are available on the Dundee City Council Website at: <https://www.dundee.gov.uk/reports/calendar>, from 21 January 2020.

If the report going to Children and Families Service Committee on 27 January 2020 is agreed, the formal consultation period will commence on 10 February 2020 and further information will be provided including a formal proposal paper.

Also Importantly, we wish to again seek your views as they are crucial in helping decide how to take matters forward. To do so, we will hold public consultations in each school, seek the views of each Parent Council; school staff; pupils; the community; the Local Community Planning Partnership and all relevant stakeholders.

Yours sincerely

PAUL CLANCY

Executive Director of Children and Families Service
