March 2022

Dear Pupil

Easter School 2022

Thanks for signing up for Easter School. This letter will clarify the arrangements for attending.

You can only attend sessions that you have signed up for. If you wish to be added to any further sessions, including private study, you can do so via the teacher who is organising it.

You should enter the school by the front door, where you will meet your teacher in reception, who will take you to where your session is. The other entrances to the school will be locked. You do not need to wear school uniform.

For every session, there will be water and snacks provided. However, lunch is not provided, nor is it available to buy in school. Therefore pupils need to leave the school between sessions over lunch, as you cannot eat lunch in the library or the social areas. Only where the teacher has made an arrangement would it be acceptable to have food delivered to the school.

If you cannot attend your session, you can let the teacher know you will not be attending by emailing them on Glow or communicating through your Class Team. Similarly, if for any reason your teacher has to cancel or make any changes, this will be communicated via Teams.

A member of the SLT will be on duty every day of the programme if you have any issues that cannot be resolved by the staff member running your session. There is no one working in the school office over the holidays.

If you have any questions about anything to do with Easter School, please see your PT Guidance, or approach any member of SLT.

Yours faithfully

Clair Thomson
Depute Head Teacher
