Dear Parent / Carer

As a school we are very keen to promote high expectations amongst all of our pupils and ensure a consistent approach across the whole school to class routines. Routines are very important in supporting staff and young people to be clear about what is expected and help pupils focus on their key priority – learning. As of the first week back after the Easter holidays I have asked all staff to ensure that the attached routines are well established and followed by all pupils in every class. I always value the support from our parents in working with us in moving the school forward and I would like to thank you in advance for your support and co-operation.

Yours Sincerely

Andrena Waghorn
