

# Craigie High School December Newsletter

As another busy term comes to an end I would like to update you on some things that have been happening in Craigie. As always I am very proud when I look back on the achievements of our pupils. One area of which I am particularly pleased with is and how our young people have responded to changes our Braeview visitors brought to our daily routine. They have made them very welcome and both pupils and staff have worked closely together to make the very best of what could have been a very difficult situation. Braeview staff and pupils will move back to their own School on Wednesday 15 December. We wish them well and I am sure they are looking forward to reforming as a school community.

Earlier in the term we were very fortunate in playing host to Nicola Sturgeon, the First Minister. She attended our Shine Enterprise Café and had been invited by our ESA pupils. During the visit she talked to the pupils about their learning, which football teams were the best and enjoyed their hospitality.

As a school we promote as many wider achievement opportunities as we can. During the course of this term we have had a wide range of visits out of school. Indeed there are far too many to list in this brief newsletter but follow us on twitter—@Craigie\_High—or the school app to keep up to date with all events, visits, achievements and departments. It is also a great place to see the great work done by our pupils and showcased by different departments

Wishing you and your family a Merry Christmas and a happy and healthy New Year.

Andrena Waghorn  
Head Teacher

Our core purpose is to raise the attainment of all of our pupils through high quality learning and teaching. These are our values:

**RESPECT**  
**EQUALITY**  
**DETERMINATION**  
**RESPONSIBILITY**  
**HONESTY**
